

# EXPERIENCE AN OPPORTUNITY UNLIKE ANY OTHER

## WHAT YOU DO

Gain perspectives firsthand through new experiences that cannot be taught in a classroom.

Stay abroad in a two-, three-, or six-month program. Cost includes round-trip airfare, orientation, debriefing, and in-country transfers. See [IFYEUSA.ORG](http://IFYEUSA.ORG) for details.

Immerse yourself in a new culture by living with local families and engaging in their local communities.

*"Through IFYE, I was able to participate in something so amazing that I would have otherwise not gotten the chance to do, while learning to adapt and run with the opportunities I was given. I wouldn't change that for anything."*

*- Sarah Liepold 2022 IFYE Alumna*
