

## Thank you - Financial Supporters of IFYE

2019 was a very successful year for fundraising among the ranks of IFYE Alumni and friends of IFYE. Two hundred fifty-nine (259) donors \$237,038 for the IFYE program. This amount includes the Organizational Capacity Campaign (OCC), periodic giving, and the Annual Giving Campaign (AGC) that was conducted during November and December. These contributions play a major role in sustaining the IFYE program and allowing us to continue to provide today's young adults with the valuable and unique experience that we had "a few years ago."

It is with a deep sense of gratitude that we say a heartfelt **THANK YOU** to all who contributed in 2019. We hope that you will continue to help sustain IFYE with your annual contributions and encourage other IFYE alumni and friends of IFYE to do likewise.

Listed below are the names of those who contributed (minus the names of those who requested to remain anonymous) depicted by level of giving as shown here:
