

2025 was a successful year for fundraising among IFYE Alumni and friends of IFYE. With the Lad Harrison Challenge and Annual Giving Campaign, we were able to achieve our fundraising goal for the following year. These contributions play a major role in sustaining the IFYE program and allow us to continue to provide today's young adults with valuable and unique experience in international understanding and global awareness.

It is with a deep sense of gratitude that we share our heartfelt Thank You to all who contributed this past calendar year. We hope that you will continue to help sustain IFYE with your annual contributions and encourage other IFYE alumni and friends of IFYE to do likewise.

Listed below are the names of those who contributed (excluding names of those who requested to remain anonymous) depicted by the level of giving as shown here. Legacy Society gifts are celebrating those who named IFYE as a beneficiary of part of their estate. Year denotes when the gift was received by IFYE.

Individuals in whose names the 2025 donations that were made either 'In Memory of' or 'In Honor of' a friend or loved one are also listed below. Thank you again for your faithful support of IFYE!
